# About SWEETA

Established in 1995, **SWEETA** is a professional manufacturer of all kinds of switches, AC sockets, as well as circuit breakers. Most of our products have been certified to meet international safety standards such as UL, CSA, VDE and others.

We are continuously developing new products to catch up with the ever-changing market demands. We do accept OEM projects. Excellent quality products, competitive prices, prompt delivery and royal service are guaranteed. At present, we are extending our business to Europe, US, Asia, Far East countries.

## Quality Policy

### To Customer Policy:

We regard the customers' satisfaction as our pride and honor.

### Comprehensive Quality Control:

Our strict and comprehensive QC process guarantees the most reliable products.

### High Standards:

Be it in the process of material selection or during product manufacturing, we are doing it with unremitting innovation and improvement in order to achieve the highest international standards.
